Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 16 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely clear tonight. Early rain clearing to sunshine on Wednesday.

This Evening and Tonight:
Scattered showers will clear east during the evening, followed by largely clear skies. However it'll become breezy and increasingly cloudy later in the night as another band of rain approaches, reaching western parts just before dawn. Minimum temperature 4 deg C (39 deg F).

Wednesday:
A cloudy start with outbreaks of rain clearing east soon after dawn. Remaining breezy though becoming largely dry and sunny, before further rain arrive from the southwest early evening. Maximum temperature 12 deg C (54 deg F).

Outlook for Thursday to Saturday:
Changeable and often windy with rain possible each day. Some bright or sunny interludes. Generally mild but briefly colder on Thursday night, with a chance of ground frost.
